STADIUM DRIVE WELL ON WAY TO \$300,000 GOAL

Workers to Report at Noon Luncheon Today.

DRIVE PROLONGED.

President Addressed Captains Last Thursday.

At least \$200,000 has been collected for the completion of Crozeran stadium, it was said at headquarters yesterday. It is believed that this sum will be greatly increased when the team captains report at noon today.

The drive, which was to have ended last Saturday evening, was prolonged when workers sought more time to visit prospects. The final meeting will be held at the Union Hotel Saturday evening.

At the meeting last Thursday Rev. Hubert P. Brackman, S. J., president of St. Xavier, spoke of the importance of this drive as a community undertaking.

"We, of the faculty," he said, "are here but a few years and then pass on to other cities to continue our work. There is nothing of personal aggrandizement in our desire that this campaign be a success."

"The stadium will exist long after the present faculty of St. Xavier is lost in the pages of history. It is not for us, but for the city of Cincinnati that we are working."

Relates Experiences

Myron T. Cooper, executive chairman of the workers, related his own experience in visiting his prospects. He asked the committee to give more of their time to interviewing those whom they were to approach.

Tribe was paid to the memory of Mrs. Mary Emery, Cincinnati philanthropist, who died last week. Mr. Fox announced that her last public act was a gift of \$1,000 to the campaign. Children of St. Mary's orphanage, Bond Hill, donated \$25 in nickels and dimes.

Largest Subscriptions

Among the larger subscriptions were: Frederick E. Mackenrope, Sr., \$1,000; First National Bank, \$1,000; Louis Korman, \$1,000; Frank Frisch, Hamilton, O., \$1,000; Mrs. William Lodge, \$1,000; Mr. and Mrs. Mason Twiss, \$500; The Big Store, \$500; Thomas M. Georgetown, \$500; E. W. Edwards, \$500; Thomas W. Burke, \$500; Wood Allen, \$500; George E. Felt, \$500; Perry Concrete Construction Company, \$500; Edward P. Meuliner, \$500; Otto Armleder, \$500; Mrs. E. R. Smarsh, \$500.

BAND TO BROADCAST FRIDAY, 8 TO 9 P. M.

Will Arouse Interest in International Games.

The Musketeer Band will broadcast from Station WPM, Radio City, Friday evening, between 8:30 and 9:30 p. m. Xavierian selections and other appropriate tunes will be included in the program.

Frank B. Dowd, director of the band is supervising the arrangement of the musical-soiree. Louis B. Adams, assistant to Edward J. McGrath, head cheer-leader, will lead the bandsters through several Musketeer "Yells" at the station.

The program, a novelty in St. Xavier circles, is expected to arouse unusual interest before the first international football contest in which St. Xavier representatives engage this season.

DANTE CLUB NAMES TWO LECTURE TEAMS

Has Scheduled Lectures Here and Elsewhere.

The Dante club has completed its re-organization and is ready to begin a busy season of lecturing, Marco Conroy, president, said Monday. Edmund Doyle is business manager.

Members of the club have been divided into two groups by Joseph Meyer, faculty supervisor. The first team consists of Conroy, Ed. McGrath, Ray Gilbert and James Quill. The second is composed of Doyle, Oak Griggs, John McAdams and Robert Savage.

Lectures have been scheduled for the coming year in Cincinnati and its environs and many are tentatively scheduled in Cleveland, Columbus, Lexington, and Louisville. Most of the presentations will consist of the Dante and the Jeanist Marjory lectures, but all members are now engaged in preparing a third which will be on the Crusades.

NAMED MANAGER OF ATHLETICS

Devanney to Relieve Cadah of Work on Campus.

Appointment of John (Jack) Devanney, 544 Camden Avenue, as graduate manager of athletics of St. Xavier college was announced during the week by Rev. H. P. Brackman, S. J., president. His appointment is effective at once.

Devanney will maintain an office in the field house now under construction. His position will be a salaried one and virtually identical to that of business manager of the school's athletic department.

He will supervise the printing and sale of all tickets for St. Xavier athletic events, help Joe Meyer, athletic director, make the schedules, and also relieve Meyer of much detail work, especially that connected with the care of the school's athletic grounds and the field house.

Devanney is a member of the class of 1926 at St. Xavier college. He graduated from University of Cincinnati Law School in 1926 and has his law office in the Second National Bank Building.

PHILOPEDIAN DEBATE

It was decided at Monday's meeting of the Philopedian society that the power of the United States supreme court in deciding matters unconstitutional should not be restricted.

Morse Courcy and Ray Daley held the affirmative; Henry Johnson and Frank Glensk held the negative. Judges were Ray Gilbert, James Quill and Phil Owens. Wm. Russell was named orator.

COACH JOE MEYER CONTINUES LECTURES

Other Orientation Talks Are Also Scheduled.

"There are certain qualities necessary for a good coach. He must have brains, he must have nerve, and he must be a teacher as well as a leader. The quality of being a good teacher is imperative; he must be able to put his stuff across." Coach Joseph Meyer told freshmen at yesterday's Orientation lecture.

"A coach has great influence on his team. He builds their body and teaches them self-play. He acts as their counselor. They confide in him many things which they would not tell to others; it is necessary, therefore, for the coach to weigh his words and give good advice."

"But who will make the best coach? Are they the star players who flash across the headlines or are they those who by a kind of perseverance make a real study of the game? Beyond a doubt it is the student who succeeds. Probably one player out of forty makes a good coach and the reason is 'they lack brains.' They have the ability, but when it comes to the supreme test, they are found wanting."

Makes Comparison

"How does coaching compare with the other professions? Well, it just doesn't compare with the others in salary. The earnings of a lawyer, doctor, bank teller, or the earnings of a coach. Another thing, a coach must always have a winning team no matter what the material may be."

"I may say, never, but on the general football is a sport and not a business—and gambling is a world business. Remember, too, that the winner is always patted on the back and escorted to the dressing room, while the loser gets the rear and is never given a word of praise. Do not put too much faith in these 'fair-weather' fans."

The following lectures have also been planned for this season: Dr. Leonard West, "Freshman Hygiene"; Dr. James Young, "Various Civilizations"; Dr. John Groat, "Literary Values." The dates are not definitely decided.

THREE SEMESTER PLAN INAUGURATED

Exams at Christmas, Easter, and in June.

Announcement of a new plan, whereby the college year would be divided into three semesters and examinations held after each, was made last Wednesday at the chapel assembly by Rev. Daniel M. O'Connell, S. J., Liberal Arts dean.

The three semesters will end at Christmas, Easter and in June, the dean said. The faculty also has decided to continue the system of bi-semester tests, as formerly, and the first of these has been scheduled for the last week of this month.

The new policy which will be tried this year is substituted for the former two-semester system. Under that system, four tests and two examinations were held each year. Consequently under the new plan, there will be no more tests than formerly.

There is no change in the credit hours and points, according to the dean. The records made in the three semester examinations will, of course, be made a part of the permanent record of each student.

By action at the assembly was preached by Rev. John Brennan, S. J., who talked of the Blessed Virgin and enumerated the important reasons for the veneration which the Catholic church pays her.

STUDENT ASSISTANTS

Rev. Edw. Marzan, S. J., professor of Chemistry, has appointed student assistants in the laboratories this year are Arthur Schmidt, Ray Daley, and Francis Haberman.

Dr. Leonard West, professor of Biology, has named Edw. McGrath, Edw. Glensk, and Andrew Groat as his assistants. Vincent Kerr, S. J., supervises the lab.

NEWMAN VOLUMES IN GREAT DEMAND

Dean's Editions of Cardinal's Works Popular.

The popularity of Rev. Daniel M. O'Connell's, S. J., edition of Newman's "Ideas of a University" is being attested by orders coming in from colleges all over the country. Last week a request was received from Fordham for two hundred copies.

Father O'Connell, who is Liberal Arts dean, edited the volume last summer. The year prior he presented "The Present Position of Catholics in England," also by Newman. This book likewise received a warm welcome from educators.

Both volumes are being used in the classrooms at St. Gregory seminary, Cincinnati.

Father O'Connell is recognized as one of the great Newman scholars in this country. The importance of his work is praised by Brother Leo, a noted educator and writer, in the preface of "The Idea of a University."

OGLETHORPE NEXT MEETS MUSKETEERS

Among Dixie's Finest—Fourteen Lettermen Den.

Meeting the first stiff opposition of the season, the St. Xavier college football team will be forced to fight hard in a game in a victory over the country's proudest representative Oglethorpe University in their game at Crozeran Field Saturday.

The "Gritty Pigeons" as the Oglethorpe team is known throughout the South, will have fourteen lettermen on the squad sent to Cincinnati. The team is practically the same that scored victories last season over such schools as Georgia Tech and Centre college. Each year Oglethorpe has one of the best teams in the Southern Conference.

Opening of Season

The game with Oglethorpe marks the opening of football relations between the two schools. It will be the Musketeers' first chance to match their mid-western style of play with that of Dixie football. The forward pass will be used extensively by both teams. Coach Joe Meyer has held a number of plays for use in the Oglethorpe tilt. Formations that have never been used by St. Xavier yet this season will come out for an airing in Saturday's game.

With Ed Byrne, Matt Alinger and Frank O'Bryan going at such a speedy rate, Meyer should have little worry concerning his ball toters. The trio, aided by a strong forward wall, have made early season opponents fall by big scores. In the first four games St. Xavier has scored 263 points to her opponents' 12. These figures represent the largest early season scores run up by the Musketeers in a number of years.

PRESIDENTS HERE

Rev. Charles Clark, S. J., president of St. Louis university, St. Louis, Mo., and Rev. William Greco, S. J., president of Creighton university, Omaha, Nebraska, were visitors at Hinkle Hall during the past week.

XAVIER HANDS KENTUCKIANS 132-0 DEFEAT

Subs Make 81 Points in Three Quarter Display.

REGULARS ADD 51

Passes, Runs and Line Attacks Demonstrated.

By E. W. Russell

Lee College came, was seen, and was conquered, Saturday afternoon, by one of the greatest scores ever amassed on a Cincinnati gridiron. After a dozen scorekeepers had resigned due to nervous breakdowns, a certified public accountant from the College of Commerce came to the rescue and announced that the final score was 132 to 0.

The potential strength of the Musketeers was amply demonstrated by the fact that the first team was not used until 51 points had been tallied during the first three quarters of the game.

The Saints used the forward pass, long, wide runs, and a line attack in their phantasmic effort to cross the century mark on the scoreboard. They made 31 points in the first quarter, 13 in the second, 27 in the third, and 61 in the last. The backs dashed almost at will over the entire field, several long runs being made from the kick-off.

O'Bryan Stars

Frank O'Bryan, sophomore half back, was the individual star of the team, if such it may be called. He played about half the game and accounted for six touchdowns, and two points after touchdowns, a total of 38 points.

The Kentuckians also made use of the pass and line play but found the Musketeer forward wall as solid as the well-known Rock of Gibraltar. The best their efforts produced was a few first downs.

The line-up:
St. Xavier Position Lee
Uhlmann L. E. Strong
Ralph L. T. Little
McNeil L. O. Everole
Oliver C. O. Holiday
Schubert R. G. Madden
Glenshaw R. E. Harlan
O'Brien R. E. (C.) Wallace
Cale Q. B. L. Shuster
O'Bryan L. H. Back
Hartlage R. H. Touchdown
Holt F. E. J. Shuster

Score by Periods: 1 2 3 4
St. Xavier 31 13 27 61—132
Lee 0 0 0 0—0

Substitutions—St. Xavier: McCarthy for Cain; Arneson for Glenshaw; Hoban for O'Bryan; Dooley for Ralph; Dowling for Uhlmann; Specht for O'Brien; Meahan for Hartlage; Russum for Schubert; Williams for Hoban; Grean for Downing; Ray King for Hess; Presto for Williams; Stalbery for Ray King; Alinger for Presto; Burns for O'Bryan; Clines for McCarthy; McGrath for O'Brien; Jansman for Glenshaw; Bolger for Russum; Mooney for Oliver; Harlan for McNeil; Wenzel for Ralph; Bob King for Uhlmann; McNeil for Mooney; Lee; Pettard for Everole; Touchdowns—O'Bryan 6, O'Brien 1, Hartlage 2, Hoban 1, Ray King 2, Presto 1, Clines 1, Burns 2, Alinger 2, McGrath 2. Points after touchdowns—Hess 2, O'Bryan 1, Wenzel 2, Bob King 1, Harlan 1, Glenshaw 1. Unipire—Albert, Head Lineaman—Riddington.

COMMENT

After the game Athletic Director Joe Meyer stated that the Lee contest was held merely as a "mix" game. "Lee was reported to have a stronger team than the score showed, and it was an authority of some men who saw the Southwestern in action that the game was booked," Coach Meyer commented.

Lee had a small coterie of rooters who cheered their favorites in despite the tremendous odds against which their Alma Mater labored.

The Musketeer cheering was the best of the season. Let's have the same display of enthusiasm at the Oglethorpe game!

Tom O'Neil—two touchdowns were the first that he has scored during his career.

MOTTO — TO SERVE XAVIER

Purpose—

In outlining and introducing their courses several professors emphasized that one should not seek a liberal education in the hope of material gain. Rather, the time spent in college should teach one to appreciate the arts, to employ time usefully, to enjoy the best that the world has to offer.

In the words of a recent writer, one should learn to live, rather than how to make a living.

There is, of course, nothing new in this viewpoint. Years ago it was generally accepted. But the changing conditions of college life, the throwing open of the collegiate portals to the many, has brought about another situation.

Conservatively, seventy-five per cent of the men and women on any campus today are there with the primary view towards increasing their earning power. They also want to learn how to live, but they desire above all, to leave college better equipped for competition than is the graduate of the secondary institution.

And what happens? At the end of a few years, they find there is not a single profession, business, or undertaking which can accept them without further training. For several years we were shocked by the number of these grads, from universities all over the country, who tell the world a liberal education means nothing.

The viewpoint of the college, it seems, must be altered and the viewpoint of the student must be less material. The school must offer certain courses designed to fit its students for the competitive life and the student must early determine what field he cares to enter. He will then be able to adapt all the facilities at his command towards that end.

participation in college football.

Captain "Buck" Wenzel has kicked 21 goals three for this season; O'Bryan 1, Hoss 1, while Bob King has a single marker as a result of the free try for goal.

Pelix McCarthy showed favorably at quarter after he had relieved Osh.

"Spotty" Specht demonstrated his versatility as a football player this afternoon. He played well at both end, and guard, his regular position.

The Mustangs used the pass after touchdown for the first time. It was successful—Bob King crossing the goal line.

St. Xavier has averaged 80 points per game to date. The four opposing teams have scored but 12 points collectively.

During both the Mustangs scoring machine with 9 touchdowns. Algeier and O'Bryan follow closely with 7 each, and Ray King has 4. Stobbery, Frost, McGee, Hardage and Olney each have crossed the goal line twice, and Bob King, Cain, O'Hara and Eddie Hoban have a single marker to their credit.

Jack Rudge, who is rapidly recovering from a broken leg received in practice, was a spectator at the game.

Eddie Hoban, playing his first college football, scored one touchdown. He shows promise.

The crowd, the largest of the season, seemed well satisfied with the secondary strength of the Mustangs squad.

ATHENAEUM PLANNED

The first issue of The Athenaeum, literary magazine of the college, will be out shortly after the first of the month. Wm. Dammarell, editor, said Monday.

Exchange—

Akron University, (O. C. N. A.)—One of the most novel ways for students to work their way through college is to belong to the "blood squad" at the University of Akron.

The "blood squad" is a group of students who furnish blood for transfusions in the hospital in the neighborhood of Akron. Save a life and earn fifty dollars at the same time, is their motto.

(By O. C. N. A.)—The ways of youngsters are unexplainable. Why do they attend football games? A reporter on The Transcript at Ohio Wesleyan decided to try and find the reason.

He found four general groups: One—a small minority—that is well-versed on the rules of the game and understands what goes on during the course of the afternoon.

Two—Those who sit in a colorful section of the stand and cheer for the unexpected. They flame up when a penalty goes against the home team and burst forth into peans of joy when a member of the visiting team is caught offside.

Third—Those who "just attend" because it is the thing to do. They desire to utilize their budget tickets and consider attendance at football games just another collegiate accomplishment.

Fourth—and in his estimation, the greater—who come merely because of the presence of the youths of the opposite sex. They are usually all combined and called "rallage spirit."

Hamline University—(O. C. N. A.)—Students have vocabularies of from 41,076 to 67,000 words, according to a test conducted by Professor T. P. Boyer of Hamline University.

They were completely baffled at defining words such as crinoid, coarsinate, baboon, amia and encephalic.

Two hundred words were divided into lists of 50 each and the average correctly defined was 113 words. The vocabularies were estimated on the basis of the 500 words picked at random from a dictionary.

ST. XAVIER HIGH SCHOOL

BIG CROWD SEES LOUISVILLE
DOWNED BY HIGH TEAM

MEINERS AND INSCO STAR.

Final Score is 7 to 0.

The St. Xavier High eleven inaugurated the 1927 season last week with a thrilling victory over St. Xavier High of Louisville with the close score of 7 to 0. An exceptionally large crowd for a high school game was present.

The outcome of the fray was in doubt up to the last two minutes, when a pass, Insko to Meiners, was completed from the 15-yard line for the only score of the game. In the try for the extra point, Louisville was fouled off side and the point was given to St. X.

The local team, led by Capt. Schmidt, showed up exceptionally well in this game. The line, which included seven letter men, did splendid work and held Louisville to three first downs. The ends were down fast on punts while the rest of the line showed adaptation in breaking up their opponents' plays.

The back field, with one veteran, Insko, and three inexperienced men, worked to perfection, though hampered by the muddy field. They backed up the line superbly and displayed a stone-wall defense against passes.

Bitterly Contested.

The game was one of the most bitterly contested high school events seen on a local gridiron for several years. Louisville, with Blommer and Schumann looking best, fought desperately, but the local men were simply not to be stopped, as they were out to avenge the trouncing they took last year from this same team. Insko and Meiners deserve most credit for the victory.

If the brand of ball put out by Xavier last Wednesday may be taken as a criterion of their ability, they have a fine chance of going through the season undefeated.

Play by Play.

First Quarter—Louisville kicked off to Meiners on the 10-yard line who returned to the twenty-yard line. Wainig lost a yard around end and then booted to Louisville's 40-yard line. After failing a line play Louisville kicked to Xavier's 30-yard line.

On first down Wainig kicked to Henchey who was downed on the 66-yard line. Schumann lost a yard on an attempted line plunge and Louisville again punted to Xavier's 30-yard line. Insko gained four yards around end.

On the next two plays Xavier was off-side and penalized ten yards. Insko booted to the middle of the field to Henchey; McManis made six yards around end and Smyth nailed Meiners for a five yard loss. Louisville fumbled and Insko recovered for St. X. and went off tackle for six yards. Xavier was penalized five yards for off-side. Insko punted to Louisville's 30-yard line as the quarter ended.

Second Quarter—Louisville lost top yards on an exchange of kicks. Meiners went around end for four yards. Thornberry plowed through center for a first down. Insko sent a beautiful punt to Louisville's 15-yard line. Louisville kicked on first down to the center of the field. St. X. was getting on the

exchange of punts. Time out for Louisville.

St. X. was off-side on the first play and were set back five yards; they lost twenty yards on an exchange of punts. Insko kicked to his own 40-yard line. Louisville was penalized for off-side. Henchey intercepted a pass and was downed. Insko punted to Louisville's 40-yard line and McManis tore around end for eleven yards. The Xavier line held for two downs and a forward pass was intercepted by Meiners on the 46-yard line. Insko punted again, then intercepted two attempted forward passes.

Third Quarter—Louisville again kicked off to the 15-yard line. Insko was thrown for a four-yard loss. Louisville was penalized five yards for off-side. After Insko hit off-tackle for four yards, they were penalized 15 yards for holding, making the first down on the 30-yard line. Wainig lost four yards around end and Xavier was penalized five for off-side. Insko plowed through center for five yards and Wainig punted to Louisville's 15-yard line. Louisville kicked on first down to the 60-yard line.

Wainig punted 55 yards over the goal line putting the ball in play on the 25-yard line. Louisville punted 30 yards to the middle of the field. A St. X. pass was incomplete. Insko gained three yards around end. Henchey was thrown for a 2-yard loss on a criss-cross play. Wainig kicked 40 yards to Louisville's 15-yard line. St. X. was penalized 5 for off-side. Henchey broke through and nailed McManis for a 3-yard loss. Louisville kicked to the 25 40-yard line.

Fourth Quarter—Meiners fumbled and recovered for a five-yard loss. Louisville was set back 4 for off-side. Wainig booted to Louisville's 30-yard line. Louisville kicked on first down to Wainig, who carried it back to Louisville's 40-yard line. Meiners made seven yards around end and on the next play went through center for 2 yards. Insko made it first down on a plunge through guard.

Meiners made a yard off-tackle. Two Xavier passes were incomplete and Wainig kicked to Louisville who punted again on first down. Thornberry replaced Wainig. Meiners went around left end for 3 yards. Two passes were incomplete and Insko punted to Henchey who was downed on his own 40-yard line. Two attempts at center failed.

Insko intercepted a Louisville pass on the 40-yard line and ran it back 18 yards to Louisville's 30-yard line. Meiners made 14 yards on an off-tackle play. Insko tore through for 4 yards. A pass, Insko to Meiners over the goal line, was completed for a touchdown. On the try for extra point Louisville was off-side and St. X. was given the point. Score St. X. 7, Louisville 0.

The game ended two minutes later with the ball in possession of St. Xavier in the middle of the field.

Final score: St. Xavier 7, Louisville 0.

HIGHLAND BATTLES XAVIER
HIGH WITH HEAVY TEAMX. FIGHTS TO VICTORY OF
62 TO 0

INSCO INJURED.

By John Nolan

The Xavier band of pigskin warriors chalked up their second straight victory last Monday, when they journeyed to Fort Thomas and returned with the scalp of a badly beaten Highland High team dangling from their belt. They annexed Highland under an avalanche of touchdowns and rumped home easy winners to the tune of 62-0. The entire team which started against Louisville, with the exception of Mercurius who suffered an injury to his knee, lined up for the first kick-off.

It did not take long for the Xavier offense to get in action, Meiners galloping over the goal line four minutes after the start of the game. From then on it was merely a question of how large the score would be. The Highland backs could gain nothing through the stone-wall defense of St. X. while on the other hand, it was just the opposite.

Backs Have Easy Going

The backfield found no difficulty in ripping off tackle or tearing around end for large gains. Meiners made the majority of the touchdowns for Xavier with Insko following close behind. Insko, by the way, made one of the prettiest runs ever seen during an interscholastic battle, when he ran 66 yards on the kick-off through the entire Highland team for a touchdown. The type of football put up by the line in this game was great. Time after time they broke through and nailed the opposing runners for huge losses. Everybody showed a nice game Monday and this game added just the thing necessary to peg them up for Hamilton, Saturday.

The team will leave Saturday morning for their up state battle and will arrive in Hamilton about noon. The

fare for students is \$1.80 a round trip. Mr. Cronin has expressed his desire that a large crowd be present and it is hoped that he obtains his wish. A victory for Xavier in this game will give them a well grounded claim to the state championship. Therefore, make the trip and be on hand to support the team.

YELL! XAVIER! YELL!

Not the least important feature of the Louisville game was the first appearance of our new cheer leaders. This year John Nolan, Allan Radina and Francis Brennan are wearing the "Yell-Xavier" sweaters and they surely have ability to draw out bloody yells from the crowd.

It is well known that big encouragement from the stands can give a poor team enough fight to win, and with the first class team that we have to back they ought to be able to move mountains with a little help in the way of yells.

So be at every game and don't come breathless!

By BRIGGS

WHEN YOU'RE DELAYED AT THE HAIR DRESSER'S AND DON'T GET AWAY TILL 12:45.

AND YOU ONLY HAVE FORTY MINUTES TO GET HOME AND DRESS FOR CARMEN'S LUNCHEON.

AND JUST AS YOU DRIVE UP TO CARMEN'S DOOR YOU REMEMBER YOU'VE LEFT YOUR OLD GOLDS AT HOME.

NOW I'VE GONE AWAY WITHOUT MY CIGARETTE CASE.

AND YOU HAVE VISIONS OF A WRETCHED AFTERNOON BECAUSE YOU CAN'T SMOKE CARMEN'S BRAND.

I POSITIVELY ADOR CIGARETTES THAT MAKE ME COUGH.

AND THEN YOU FIND OUT THAT CARMEN HAS SWITCHED TO OLD GOLDS, TOO.
